

You might be breaking the law!

Are you aware that under the First Aid at work Act 2001 it is illegal to operate your business without the appropriate level of staff trained in First Aid.

Alternatively you may just be a civilian that would like to do good in your area or a parent concerned about your ability to save your child life:

We have the Solution we are a HSE approved training provider that are able to provide the requisite training at very competitive rates. Spending a little now could save you £thousands in potential litigation.

1 day First Aid appointed Persons Course £45.00

4 day First Aid at work course £250.00

Are you unemployed and seeking work? Why not train to be a professional security officer. With the new licensing laws for this sector pay rates have significantly increased as demand for qualified practitioners heightens.

Get yourself on the list of potential recruits by undertaking our professional course in all disciplines at the meagre cost of:

Skills for Security 3 day Basic Job Training £175.00

Skills For Security 1 day Conflict Management Training £50.00

A. A. Training Services Ltd providing award winning training you can trust!
